(NEW YORK, August 2015) Sous Les Etoiles Gallery is pleased to present the FotoFilmic '15 International Competition, featuring the work of thirty emerging photographers chosen by an international jury. An opening reception will be held Thursday, August 20, 6-8pm, at which time the winning photograph will be announced. The jury included: Ann-Christin Bertrand, Curator at C/O Berlin (Germany); Yeonha Choi, Art Critic & Chief Curator at Space 22 (Seoul, South Korea); Jeong Eun Kim, Chief Editor/Publisher of IANN Magazine (Seoul, South Korea); Damien Poulain, Founder of Oodee (London); Aline Smithson, Photographer & Founder of Lenscratch (Los Angeles, CA); and Corinne Tapia, Director of Sous Les Etoiles Gallery.

FotoFilmic was founded in 2012 in Vancouver, Canada by VNB as a global film-photography publication and curation platform dedicated to emerging and unknown photo talents attached to the film medium worldwide. Unique in its scope and genre and presently in its 3rd edition, the FotoFilmic Competition aims at bringing the entire world community of photographers attached to film and preceding historical processes closer together in an effort to both promote emerging talent and help redefine the artistic significance of the medium's contemporary practices.
